

# PRODUCT WARRANTY

- All products supplied by Space Display are covered by a two year Guarantee against manufacturing defect or component failure, except DASH roller banners, RACE roller banners and SPYDER X-Banners which are all covered by a one year Guarantee
- The Guarantee only covers products supplied directly by Space Display and excludes damage to a product or damage to personal property caused by repairs made by a third party or relating to installation of graphics by a third party
- The Guarantee excludes replacement of products due to normal wear and tear or products that have been subject to misuse, negligence or accidental damage
- The Guarantee also excludes all Space Display products repaired, serviced or modified by anyone other than a representative of Space Display or through failure to follow the product user instructions
- It remains the responsibility of the customer to cover the costs involved in returning products to Space Display for inspection
